

AUDITS- DIE

The financial records of the school district as well as the financial records of individual accounts maintained by the school district shall be available for examination by any citizen of the school district by representatives of appropriate local, county, state, or federal agency during regular working hours.

All school district accounts shall be audited no less than once per fiscal year by an individual possessing current approval issued by the appropriate agency of the State of Wyoming to complete public fund auditing.

The Board of Trustees shall take proper and appropriate action upon all reports of audits completed in accordance with regulations of audits of the State of Wyoming.

(Adoption date 11/19/80)

(Amended date 5/17 /90)
