

SCHOOL SUPERINTENDENT

It will be the policy of the board that:

The board delegates its executive powers to the superintendent so that he/she has the necessary flexibility to manage the school system according to the provisions of law and the board's policies and decisions. The board reserves to itself the ultimate decision on all matters concerning policy and expenditure of funds.

The superintendent shall be the chief executive officer of the board and the administrative head of the entire school district.

The appointment of the superintendent shall be the responsibility of the board. The board will generally consider the superintendent's employment in January for the coming year.
